### **Dermatological test on humans in 2005**

**The dermatological-allergological test performed by us  
on your products under the control of dermatological specialists  
was passed by these products with the rating „very  
good“.**

**The products did not lead to allergic or toxic-irritative intolerance  
reactions in epicutaneous testing in accordance with international  
guidelines. The tolerance of this product can therefore be assessed as  
very good.**
